A World of Learning

"One of America's Top Ten High Schools"

- Newsweek: 2003, 2005, 2006 and 2007 -

April, 2008

Dear Prospective IA Parent(s) and Student:

Our test results indicate that you are not, at this time, prepared for our Integrated Mathematics II course (advanced algebra and geometry). This is our entry-level math class at the International Academy.

To be eligible to attend the IA you must qualify for Integrated Mathematics II by passing the math test on May 28th at 4:00 p.m. to verify that you have learned the required algebra skills. Students who do not pass the exam on May 28th and still wish to attend the International Academy may select one of two options: 1) take the IA summer course and test July 15th; 2) complete two semesters of summer school Algebra or Integrated Math I at an area school district and test July 25th at 10:00 a.m.

Our school will offer a summer class that has an intensive focus on the review of algebra. The IA's summer course will meet on weekdays beginning on Monday, June 16, 2008 and conclude on Tuesday, July 15th. There is no class scheduled on July 3 and 4. Attendance at all sessions is required. Classes will begin at 8:30 a.m. and end at 12:30 p.m. The cost will be \$235.00 and checks should be made payable to: *Bloomfield Hills Schools*. Checks will be held until the results of the retake on May 28th are known and will be returned to all families whose students pass the exam. Sorry, we cannot accept credit cards. The registration deadline is June 6th. Students will receive 0.5 credit in mathematics, which is similar to summer school classes.

Please complete the enclosed enrollment form to reserve your seat. If enrollment is less than 15 students, we will not be able to offer this course and students will need to take **two** semesters of Algebra I or Integrated Mathematics I from a consortium district summer school and test July 25th.

If you have any questions, please contact the main office at (248) 341-5900, or Kathy Neustadt (248) 341-5942 (email: kneustadt@bloomfield.org).

Sincerely,

Kathy Neustadt
